## ANGIE KATSELIANOS

### WHY ANGIE?

Angie Katselianos is a bold, engaging speaker who works with top performers in sports and business across the globe. She energizes audiences ready for what's next.

Building on the solid foundations people already possess, she provides invaluable insights into what works outside the comfort zone. What you don't get: platitudes and standard conventional wisdom. Her keynotes are perfect for innovation, growth, results and future focus themes.

With a no-nonsense style, her insights prove both practical and implementable. She combines a "think big" style with "do this now" ideas. Her stories about the pivotal moments we all face are thought provoking and universally relatable. People will walk out of your session energized and ready to springboard their success.
